FAIRFAX HIGH SCHOOL

PRESENTS

THE 1972 BRONC

CO-EDITORS: CATHERINE KOENIG
SANDRA WIEDRICK

*Let me dream again—
Dream that Life can be what I meant it to be.
If I can dream with faith again,
I'll find reality.*

*Dreams are the substance of things hoped for,
The evidence of things not seen;
They picture Life as it may yet be,
Not Life as it might have been.*

*Once I dreamed the world was my workshop,
And I a potter would be;
That life would be fashioned for service,
And only good would come to me.*

*I must dream again—
And follow my dreams whatever they be;
I must dream again, strive again, believe again,
To find reality.*
